Title: METHOD AND SYSTEM TO FACILITATE ORDERING OF AN ITEM

Dear Ansley Jessup:

Enclosed is a Substitute Reissue Declaration that must be executed to complete the filing requirements for the above-referenced patent application. This Declaration is different from the Declarations that you signed previously due to the reasons provided below.

In this reissue patent application we appealed Examiner's final rejections. The Examiner was reversed on Appeal. The Examiner's supervisor now identified additional changes that have not been requested by the Examiner prior to the Appeal. The requested changes include the filing date and the application serial number of the original patent, the dates of the amendments submitted in the course of the prosecution of this application, and slightly modified language with respect to the duty of disclosure.

Please review the enclosed document and then sign and date the Declaration where indicated.

Please return a copy of the executed document to my attention as soon as possible. The document can be faxed to my attention at (612) 339-3061 or returned by mail.

If you have any questions regarding this matter, please contact Elena B. Dreszer at (408) 278-4052 or at edreszer@slwip.com.

Sincerely,

Tara C. McMillen
